PRACTICE LEAFLET

2013-2014

## Patient rights and responsibilities

All patients should be treated with respect and are entitled to complain if they feel that any staff member has been discourteous. Please see reception for a complaints form.

**Please inform us of any change of details, including any changes to your contact number, address, name. We may need to use your telephone number and other contact details to inform you of test results, hospital communications etc.**

**If you are unable to attend an appointment** it is important that you cancel the appointment with as much notice as possible so the appointment can be made available to someone else.

## Confidentiality and information about you

All our staff are under a legal duty to keep personal information about you confidential. Under certain limited circumstances we do share your personal information with other health organisations. For example if your GP refers you to a specialist, we will send relevant information about you to the specialist in the referral letter.

Under the Data Protection Act, patients are entitled to apply for access to their records. Please contact the management team for more information.

## GP services when the surgery is closed

If you telephone outside opening hours you will receive an automated message providing you with a telephone number to contact if you need urgent medical attention.

Between 18.30 and 08.00 on a weekday, or all weekend and bank holidays your problem will be dealt with by a doctor from NHS 111. This service provides out of hour care services for our patients. NHS 111 can be contacted on: 111 free from mobiles and landlines.

Alternatively, you can access a GP for treatment at either of the following:

Ritchie Street Neighbourhood Health Centre, 34 Ritchie Street, London, N1 0DG. Tel: 020 7837 1663 Mon-Fri 08.00-20.00 and weekend and bank holidays 09.00-18.00

## Access for disabled patients

There is a ramp leading to the entrance doors.

There are automatic sliding doors at the main entrance and no internal steps within the practice.

Disabled toilets are available.

## Making an appointment continued

### Advance Bookable Appointments

You will be able to make an appointment to see a doctor or a nurse up to 3 weeks in advance. You can make an appointment in person or via the telephone. If you wish to see a specific doctor please mention this when booking. Please note that doctors' appointments last 10 minutes. If your problem cannot be dealt within this time, we will offer you a further appointment. If you have more than one problem please mention this at the start of your consultation so that you and the doctor can decide which is the most important and start there. Again, a follow-up appointment may be necessary. In exceptional circumstances, we may be able to arrange a double appointment.

**Home Visits**—A home visit will only be made to a patient who is housebound or is too ill to attend the surgery. If you request a home visit the doctor may
